The Sabolsky & Siegel Families Book Scholarship

Through the West Yellowstone Foundation

The purpose of this award is to assist two (2) first year college students, who have graduated from West Yellowstone High School, with the cost of books. In recognition and in support of this important next step in a student's education, we recognize the difficulty in all things new; tuition, housing, food, books, etc and have chosen to award a one-time amount to make this first year a little easier on families and students. Further, we wish to honor the Founder of the West Yellowstone Foundation, Arne Siegel, by having students write about his life's statement. Arne loved and valued education, and we agree, so to honor his memory and to help youth to learn a little bit about giving back we have created this opportunity.
